

## DENNIS WHITEHOUSE PAINTINGS

Long time galley artist Dennis Whitehouse, a beautiful figurative painter, is moving to Olympia WA. We will miss Dennis and his talent, but wish him the best of luck.

Dennis and the gallery are offering a limited time discount of 25% on the paintings currently in the gallery. The moving truck leaves on October 20 so these works will be available until October 19. If there is one you love let us know. The prices shown here have been discounted.
